Total number of Heaf Tests done or read at these Clinics.....	119
---	-----

1 Chest X-Ray Clinic was held —

Total number of X-Rays taken.....	105
-----------------------------------	-----

All treatments except the Heaf tests and X-Rays were done by Dr. Thomas F. O'Connor.

One workshop that I attended was on "Speech and Hearing Defects." The other was on the "Rehabilitation of the Stroke Patient."

Considerable used clothing and toys have been sorted and distributed.

During the year I have worked on cases in conjunction with the State Public Health Nurse, New Hampshire Rehabilitation Services, Crippled Children's Services, The State Heart Disease Control Program, the State Pediatric Nursing Consultant, Bureau of Dental Health, and our own Town, County and State Welfare Departments. This work is time consuming and many times discouraging but I feel sure each person involved feels it is a step toward better Public Health.

I do appreciate the assistance given me by the members of the District Nurses' Council and other interested citizens during the year.

Respectfully submitted,

NELLIE M. BLICKER, R.N.

I was happy to learn that the membership drive had earned enough to help buy some office equipment that we are in need of.

December 31, 1961

On November 15-16-22-27 a Mobile X-Ray Survey of Winchester was made by the State Department of Health.

I wish to thank all who so generously gave assistance during the recent Free Chest X-Ray Survey in Winchester, N. H.

Without the "Community Spirit" shown by the people of Winchester the success of this service would not be possible.

Respectfully submitted,

LOUIS C. BLICKER  
Health Officer

# REPORT OF FOREST FIRE WARDEN

---

To the Selectmen:

Each year there is a demand for a statement on forest fires for publication in the annual town report. It is believed they serve a good purpose locally in preventing fires. The following is offered with the respectful request for publication in your town report.

Sincerely,

C. WOOD, District Fire Chief

## An Appeal from Your Forest Fire Warden

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook — yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness — our carelessness. This, we — you — and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations — hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you —

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.

## 1961 Fire Record

Number of Fires — 5

Number of Permits Issued — 229

Number of Acres Burned — Spot Fires

CORNELIUS WOOD, District Fire Chief

EARL SWEAT, Forest Fire Warden

To the Forest Fire Warden:

The above statement has been prepared because many of you have asked for it. It is intended to inform local residents and to arouse their interest in your problems.

# ELLEN LAMBERT MURPHY COMMUNITY CENTER

## REPORT OF THE SUPERINTENDENT

---

I wish to submit my report as Superintendent of the Ellen Lambert Murphy Memorial Community Center. I wish at this time to pay tribute to John F. Willard, the former President of our Board, who died of a heart attack at the Community Center. To eulogize this man and what he has meant to me and the Community Center is almost impossible. No words could truly describe this man's vitality, fortitude and foresight. His heart and soul was in this Center. Much he did accomplish, much he had planned but God saw fit to take him from us. I feel more enriched by having known him and having worked with him. Due to Mr. Willard, we have had one of our best financial and most accomplished years since my arrival here.

Our yearly attendance that we personally handled by our various activities was 27,826. The free usage of our facilities by various civic, veteran, school and fraternal organizations was 360. We have loaned 840 chairs, 355 dishes, and 30 tables throughout the year. We had 134 children in our Day Camp which was a big success again this year. All phases of swimming were taught, games, arts and crafts, as well as home and home arrangements with Keene and Brattleboro Recreation Departments were had. Free tickets to a circus sponsored by the Junior Chamber of Commerce of Keene were very highly appreciated by the 80 children that attended. Thanks to them; the children really enjoyed it! Day Camp closed with a public graduation at our new town beach on August 20th. Swimming races and diving meets were held and a demonstration in life saving and proper application of artificial respiration was given. 107 awards were given out and not included in this number were the 7 awards given to the life-saving class.

The development of the new Town Beach by the Planning Board was surely a godsend to us. What it has meant to us and to Winchester cannot be measured in dollars and cents. This beach has a terrific potential and was greatly enjoyed by the people of Winchester. Hats off to this progressive Planning Board that Winchester is blessed with!

Our Murphy Days from a financial point of view was a success but from a social point of view it was a failure. The only thing that saved the weekend for us socially was the performance by the local Fire Department at their muster. They held their usual fine muster and a wonderful dinner. Plans are already in progress for one of the best Murphy Weeks that we have ever had.

We have started physical education and an organized play program for the two first grades at the Community Center and the 3rd, 4th, 5th, and 6th grades at the Center School. This program has been very successful as the children enjoy themselves tremendously. It is a free service given by the Community Center and its purpose is to develop physical and social fitness which is greatly in need in this country today.

Our after-game parties are enjoyed by approximately 90 young people Friday nights. Our Teen dances are fairly well attended. Once a month, we hold a small fry social from 3:00 to 5:00 P.M. These are well enjoyed by about 80 youngsters. The children are shown how to dance and they practice proper etiquette at socials.

Roller skates were purchased from Gil Conant and we have been allowed the use of the Town Hall where many enjoyable hours are spent roller skating. Roller skating was not held while the ice skating rink was in use as supervision of both activities would be quite difficult. Ice skating has been somewhat of a problem this year. Rain and inclement weather conditions caused us to rebuild our rink several times. We had over 200 hours of work invested in the rink but it was worth the effort as we did manage to get a lot of ice skating in.

Our bowling is going as well as can be expected. We took a group of our small fry bowlers to the State Recreational Playoffs in Rochester. Little Patty Nelson placed third in the State. A few good breaks instead of the several bad ones that she had might have placed her in first place.

I have been asked on several occasions what is being accomplished at the Community Center. I feel at this time that this question should be answered. I can only state the accomplishments since my arrival here. The credit goes to the hard working Board of Trustees and Board of Incorporators that have made these things possible. They are as follows:

New furnace in the Administration Building, new doors in the same building, the classroom repaired and painted, Trustees' Room renovated, repaired the bulge in the Administration Building, corners and new sill in back of the building and complete painting in the apartment was done. We installed automatic pin setters in the bowling alleys, sanded and resurfaced the alleys, replaced all broken windows and painted all buildings with two coats of paint, put in a pool table and purchased over 100 pair of roller skates. We also installed a new electric panel, installed a set of flood lights for the football field and wading pool, also a new door in the rifle range. We purchased forty sets of pins and 30 new balls for our bowling alleys. These are all things that had to be done and there are many more things that should be done but we have to move according to our means. As in all businesses, repairs and upkeep are a tremendous responsibility and must always be attended to. This year we would like to concentrate our efforts on the inside of the buildings such as

sanding and resurfacing the auditorium floor and bowling alleys as well. Plans have been made to replenish our recreational supplies which have been depleted and we would like to purchase more games and crafts which would be of interest to all ages that the Center services. Anyone who could give any helpful suggestions could see me as I certainly would appreciate your interest. This is your Center and the interest you show will naturally be picked up by your children. So, here's to a finer year in all phases of Recreation!

493 books were added during the year.

Another successful program was undertaken this year during National Library Week, April 16-22. The theme was "Your Library and Your School, a Working Team." We chose this theme to help promote better cooperation between library and schools also to tie in with the work done in this field, by the New Hampshire Library Association. The Citizens' Committee consisted of Mr. Paul McNamara, Mrs. Gracia Toof, Mrs. Helena Laberge, Mrs. Alden Fredenberg, Mrs. Sybil Thompson and Mr. Wadsworth Jones. The picture story and story contests were again conducted in the elementary schools in Ashuelot and Winchester. Book prizes were given to the winners. Four store windows displayed work done by several of the classes at both elementary and high schools. Books from the library accompanied these displays. The Vocational Guidance Department loaned an extensive display to the library which was supplemented by our own material. An open house for teachers was held on Monday afternoon. This was well attended. This was an extra opportunity for them to browse among our older books and to see the displays of new books which were assembled for the occasion. On Tuesday, nine girls from the Home Economic Class in Family Care went to the Center School and Ashuelot School to tell stories to the children. The girls interchanged so that each class heard three stories. This proved enjoyable both by the young students and the story tellers. Book reviews were given by two members of the Senior Class at the Kiwanis meeting that week. I outlined the National Library Week program and spoke briefly on library and school cooperation. Movies were shown at both Ashuelot School and at the Community Center for the grade children of Winchester. At this time the awards were presented to the winners of the story contests. On Wednesday Mrs. Perry and I attended the State National Library Week dinner in Concord. Our entire program won honorable mention and we were presented with a book on Rocks and Minerals at the Annual Meeting of the New Hampshire Library Association in Conway. I would like to thank everyone who helped make this program a success.

The annual meeting of the New Hampshire Library Association was held at Conway at the Presidential Inn on May 11th, at which time I retired from my two-year term as President. These two years in contact with the librarians

of New Hampshire have made me well aware of the need for more and better library service in our state. I am now serving on the Governor's Committee for Better Libraries. This is the group that is studying the recommendations made by the recent statewide library survey.

I would like to thank everyone who contributed books for our book sale which we started a year ago. The proceeds have allowed us to purchase a Hi-Fi-Stereo system which was installed in late summer by Mr. Ray Bates. We have continued the booksale due to the interest of our patrons and others passing through town. The money will go to purchase records for our player.

One of our more interesting displays of the year featured a huge plaster-of-paris flower with a giant bee feeding upon the pollen. This was made and loaned by Miss Charlyn Ryll of Keene. We borrowed books from the State Library to accompany this display. It created much interest and comment.

I am very happy to announce that Mr. Luman R. Nelson is setting up a display of local song birds in the Adult Reading Room. This collection is a very fine one and through the generosity of Mr. Nelson will remain permanently with us.

Mrs. Perry and I attended a Neighborhood Library Meeting in Swanzy Center last spring. These meetings are sponsored by the Extension Division of the State Library and are held periodically in each area. This particular meeting featured new reference material and fiction. We also both attended the New Hampshire Library Trustees' Association meeting in Concord in October.

The State Bookmobile stops every two months. Anyone is welcome to inspect it on its stops here. Each time we borrow about 100 books for regular library use and about 150 for use in classrooms in both Ashuelot and Winchester schools.

I have been fortunate in being able to take several courses this year. The first was a course in Children's Literature, given at the Monadnock Community College in Peterboro. This class was repeated here at Thayer High School, at which time Mrs. Perry and several of our local teachers attended. I enrolled in the class for School Library Service at Keene Teachers College this summer and then returned in the fall for an extension course in New England Literature. All this has been very helpful to my work as librarian.

I want to thank everyone who has donated books for our library use and those who have contributed books for our Memory Shelf. It has been a great pleasure serving the people of Winchester and I hope that more of you will stop in to see us during 1962.

Respectfully submitted,

EDITH W. ATKINS

# REPORT OF THE PLANNING BOARD

---

The Winchester Town Planning Board was appointed by the Board of Selectmen in May 1961. Meetings were started immediately on a biweekly basis but very shortly the Board decided that weekly meetings were essential. These meetings are held on Tuesdays at 7:30 P.M. in the Selectmen's office. The meetings are open and the public is urged to attend and to offer both suggestions and criticisms.

The Board's first project was the establishment of the Town Beach which it sincerely hopes will become a permanent acquisition. The project's success this past summer was due to the cooperation of the Gilbert Conants, the owners of the property, and the generosity of individual townspeople and friends from out of town who gave generously of cash, supplies and labor. It is hoped that the Town will take over from here and eventually establish a permanent town beach. A beach for the use of the townspeople and visitors is not only a source of pleasure but an economic asset to the town. The classes of the Community Center made good use of the beach at a savings of transportation, time and cash expenditures.

Early in the season the Board polled its members to ascertain their goals for a long term program . . . a program for the next decade. Those aims were listed as:

- |                                 |  |
|---------------------------------|--|
| 1. Zoning                       | 7. Development of the River for Recreation |
| 2. Building Code                | 8. Development of Town Beach               |
| 3. Land Subdivision Regulations | 9. Permanent Fire and Police Departments   |
| 4. Better Roads                 | 10. Development of Residential Sections    |
| 5. Better Schools               | 11. Development of a Shopping Center       |
| 6. Adequate Sewerage System     | 12. Promotion of more shopping locally.    |

It must be pointed out that the points are not listed in the order of relative importance but just in the order in which they were made.

The action on these points was:

1. A zoning ordinance has been prepared for submission to the voters this March. Its adoption is earnestly recommended as a first step toward protecting the individual's investment in his real estate and to provide for the orderly, economical expansion of the town. The ordinance has been favorably reviewed by Town Counsel and by the New Hampshire State Planning and Development Commission.

- 2 and 3. On the advice of the Commission any action on the drafting of a building code and land subdivision regulations was postponed until after the adoption of the Zoning Ordinance.
4. Mr. Vernon Jones was appointed to work with Mr. Richard Stetson to survey the roads and to make recommendations for more economical and efficient maintenance with particular attention to the better use of TRA funds.
5. Further consideration of the school situation has been deferred until after the opening of the Monadnock Regional School and the possible re-districting of the supervisory unions in this part of the state. The Board noted with interest that almost the first question arising in any attempt to attract industry was 'How good are your schools?'
6. Mr. Frank Amarosa was appointed to head a study of the needs for a sewerage system; and of the types available for similar communities; and of the Federal and State grants available to small communities. It was deemed advisable to start this study now since the problem may be forced upon Winchester sooner than anticipated by the possible classification of the Connecticut River and its tributaries and since the process from the preliminary study to the completion of the system may take years.
7. Development of the River for recreational purposes is contingent upon Point 6 and no further action can be taken at this time except to recommend to the Selectmen that the filled in land in the old river bed might be made into an attractive roadside rest area.
8. The development of the town beach has been mentioned previously and is recommended most strongly to the town. Harrisville has procured a town beach and has operated it most successfully to the advantage of the town.
9. No action has been taken on the question of permanent fire and police department. The recent publicity in the New Hampshire papers led your board to believe the problems of fire departments were being approached from the state level.
10. The development of Residential Sections is treated in the Zoning Ordinance and the adoption of the ordinance is urged.
- 11 and 12. The development of a shopping center and promotion of more shopping locally should also be helped by the passage of the zoning ordinance and the establishment of commercial areas with adequate parking facilities. It is the Board's opinion that the loss of Winchester's one chain store was a severe setback to the promotion of local shopping.

Many other matters were discussed but lack of space will not permit recital of all of them in this first report to the voters. One item though cannot be passed over. The Board noted the great improvement in the buildings in Ashuelot. It has recommended to the Selectmen the painting of two ends and roof of the covered bridge which is a definite tourist attraction; the installation of a blinker light at the Covered Bridge and 119; cutting of trees where the old fire house used to stand; and prompt plowing of sidewalks for the protection of school children. The Board would welcome expressions of opinion from residents of Ashuelot as to their wishes for the village and it would be delighted to have some resident of Ashuelot meet with the Board and represent its interests.

In closing the Board extends its thanks to Mr. Elliot Hansen of the State Planning and Development Commission; Mr. C. Metcalf of the Water Pollution Commission; Mr. S. P. Grasso of Anderson-Nichols, Inc.; Mr. William H. Watson, Jr., whose help was incalculable. It also expresses its gratitude to the Water Commissioners, the School Board and many other town officials who attended meetings and gave the Board much information, help and encouragement.

The Board's one regret is that the residents of Winchester and Ashuelot have not come forward to express their desires for the growth and development of the town. The Board is cognizant of the fact that it is just a group of seven interested citizens trying to gather information and to plan for the growth and prosperity of Winchester and the preservation of its beauty and tradition. Seven people can not do this alone. The Board needs and welcomes the suggestions of all Winchester and Ashuelot Residents.

Respectfully submitted,

GEORGE H. LAWRENCE, Chairman,  
Winchester Town Planning Board

# REPORT OF AN ADUIT AND EXAMINATION OF THE ACCOUNTS OF THE TOWN OF WINCHESTER

FOR THE FISCAL YEAR ENDED DECEMBER 31, 1961

Winchester, New Hampshire  
February 6, 1962

Board of Selectmen  
Town of Winchester  
Winchester, New Hampshire

Gentlemen:

We submit herewith our Report of an Audit and Examination of the accounts and records of the Town of Winchester, New Hampshire, for the fiscal year ended December 31, 1961. Financial Statements as hereafter listed are to be included as part of our report.

## SCOPE OF AUDIT

Included in our examination and audit were the accounts and records of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk, Highway Commissioner, Water Department, Fire Department, Library Treasurer, Trustees of Trust Funds, and Municipal Court.

## FINANCIAL STATEMENTS

1. The Comparative Balance Sheets as of December 31, 1960, and December 31, 1961, shows a decrease in the Net Debt of the Town in the amount of \$11,719.77, as compared with \$36,231.70 decrease in 1960.
2. The Statement of Appropriations and Expenditures shows a net overdraft of appropriations in the amount of \$7,739.53, as compared with a net unexpended balance of appropriations in 1960 of \$174.62.
3. The Statement of Estimated and Actual Revenues shows a net revenue surplus in the amount of \$4,295.14, as compared with a net revenue surplus in 1960 of \$4,642.77.
4. Comparison of the Budget Summary for the fiscal years ended December 31, 1960 and December 31, 1961, follows:

	1960	1961
Overdrafts of Appropriations.....	—	\$7,739.53
Unexpended Appropriations.....	\$ 174.62	—
Revenue Surplus.....	4,642.77	4,295.14
	<hr/>	<hr/>
Net Budget Surplus (1960).....	\$4,817.39	
Net Budget Deficit (1961).....		\$3,444.39

5. The Statement of Long Term and Bonded Indebtedness as of December 31, 1961, shows the annual maturities of principal, and annual interest requirements.
6. Summaries of all other departments have been prepared and are on file with the Board of Selectmen and the Auditors.

## AUDIT PROCEDURE

The Audit Procedure included comparing vouchers and cancelled checks with supporting invoices and payrolls, as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures were verified. Book balances were verified by comparison with reconciled Bank balances made from statements obtained from depository banks. Uncollected taxes were verified by mailing notices to a majority of the delinquent tax payers, as indicated by the Tax Collector's records.

## RECOMMENDATIONS

After showing considerable improvement in the matter of overdrafts for the fiscal year ended December 31, 1960, we find that the amount of \$7,739.53, net overdrafts for the period ended December 31, 1961, is by far a serious step in the wrong direction. As has been mentioned many times in the past, your auditors strongly recommend that the Selectmen take whatever steps are necessary to correct this situation.

In so far as the Highway Department is concerned with the matter of overdrafts, definite action should be taken by the Selectmen to effect a much tighter control over the expenditures of this department.

Uncollected and unredeemed taxes as of December 31, 1961, amounted to a total of \$80,999.74, an increase of \$16,256.49 over the total as of December 31, 1960, of \$64,743.25. We feel that in part, the increase was due to the revaluation of property made during 1961, however, the total uncollected and unredeemed is much greater than should be. Stronger collection enforcements should be made by those concerned.

## CERTIFICATION OF AUDIT

This is to certify that we have examined and audited the Accounts and Records of the Town of Winchester, New Hampshire, for the fiscal year ended December 31, 1961, and have them to be in very good order except as noted. To the best of our knowledge and belief the financial statements and summaries reflect the true financial condition of the Town for the period under review.

We wish to extend our thanks to all the officials of the Town of Winchester for their assistance and cooperation during the course of our audit.

Very truly yours,

ARNOLD B. CONWAY  
EDWARD RUSCAK  
ROBERT A. SCHAUFUS  
Auditors

# SCHOOL DISTRICT WARRANT

---

## THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the town of Winchester qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the seventeenth day of March 1962, at 2 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
6. To choose Agents, Auditors, Committees in relation to any subject embraced in this warrant.
7. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
8. To see if the district will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire.
9. To see if the District will vote to adopt the Non-Partisan Ballot System for the election of officers pursuant to the provisions of New Hampshire Revised Statutes Annotated, Chapter 59, such method of election, if adopted, to include members of the School Board, the Moderator, Treasurer and Clerk, and such system to be effective beginning with the next annual meeting of the District, and raise and appropriate the sum of \$200.00 for this purpose.

10. To see if the District will vote to raise and appropriate a sum not to exceed four thousand dollars (\$4,000.00) for preparing and painting the interior of Thayer High School.
11. To see if the District will vote to accept a bequest of one thousand dollars (\$1,000.00) under Clause Fourteenth of the will of Edna C. Whitcomb, such sum to be used under the direction of the Winchester School Board in the betterment and improvement of the high school in said Town.
12. To see if the District will vote to raise and appropriate the sum of three-thousand two-hundred and seventy-five dollars (\$3,275.00) for the purpose of renovating the former coal storage space at Thayer High School, to convert the area to classroom space.
13. To see if the District will authorize the school board to sell all of the school district land on Gun Mountain to the Springfield Television Broadcasting Corporation of Springfield, Massachusetts, and to negotiate a price most advantageous to the school district; any moneys received by the district from this sale to be applied by the school board to the purchase of reference books or other needs of a permanent nature for the library at the Thayer High School.

Given under our hands at said Winchester, this fifteenth day of February, 1962.

The 1960-61 Program of School Health Services was re-organized and adapted to a part-time basis of School Nurse coverage with the assistance and advice of the State Director of School Health Services.

An initial morning schedule, adopted as a personal choice to provide broader coverage than the two day week, was abandoned in December when additional activities beyond formulating a new program, bringing health records up to date and routine duties began to assume time proportions and obligations far beyond that requested.

School Health Services are concerned with the promotion of good health standards, prevention of disease and health education. It is neither a replacement for parental health supervision of the student nor of the family physician, but endeavors to provide auxiliary assistance to both through general inspections, tests, immunization and educational health information.

The School Nurse may neither diagnose nor recommend treatment in cases of illness. Students have arrived at school with temperature elevations, swollen glands, rashes, sores and pains with the request from the parents to have the school nurse check them. This is entirely a matter for the family physician. Parents jeopardize the health of fellow bus travelers, classmates and teachers when they allow such students to come to school with non-diagnosed symptoms, but they expose their own child to a far greater risk of unknown exposures when resistance is already weakened.

Impetigo and pediculosis could and should become unnecessary statistics on health records if all parents maintained a constant alert for such infections and instituted prompt treatment as recommended by their physician. Since both are included in the State Communicable Disease Control laws, exclusion from school is mandatory until the infection is eliminated.

The Winchester School Health Program could provide greater benefit for all students through expanded health education opportunities which could be incorporated into the program if unnecessary time loss was avoided. This may be done with the cooperation of a reluctant few in the following areas: transportation for their child who was ill before leaving for school or later became ill and should not remain in school; brief note to the nurse if frequent or long period of absence is due to illness or if the student has a communicable (and reportable by law) illness: not regarding a school nurse as a parent substitute and chaperone (transportation, too) for student appointments at special clinics or referrals.

A constructive school health program can provide greater value when it must not be concerned with individual problems, student exclusions and other supervisory matters best suited to the homes. If home and school are free to follow their respective areas of health responsibility with proper concentration of interests, it may be possible to raise the health standards of our schools, rather than maintain a status quo level.

# REPORT OF THE HIGH SCHOOL PRINCIPAL

---

I hereby submit the annual report for Thayer High School to the Superintendent of Schools.

Enrollment for the school year 1961-1962 as of December 31, 1961:

Grade 12 — 28	Grade 9 — 69
Grade 11 — 28	Grade 8 — 46
Grade 10 — 26	Grade 7 — 55

Once again Thayer is fortunate to be able to report a minimum turnover in the teaching staff. It was necessary to replace Miss Sylvia Louder, who was married during the summer and moved to Wisconsin. Her replacement is Miss Judith Freese, who was graduated from Plymouth Teachers' College last June. Miss Freese has been doing a fine job in the commercial department. She has also taken over the supervision of the Thayer Revue and the cheerleaders.

A new duplicating machine has been purchased to replace the old one in the business department. Teachers are making good use of this in turning out class exercises and examinations.

The guidance department is continuing its new program. In March and April 1961 National Merit Scholarship Examinations were given to 16 members of Grade 11, and National Educational Development Tests were given to 11 students of Grade 9 and 10 students of Grade 10. Differential Aptitude Tests were given to all members of Grade 11. The educational testing program in April consisted of sophomore testing. In the fall the Durost Testing Program was administered to Grade 8. The U. N. H. Testing Program was given to Grades 9 and 10, and the Guidance Battery Tests to Grade 11. National Merit Qualifying Tests, Scholastic Aptitude Tests, and College Boards were taken by members of Grade 12. Miss Betty Vandersluis has been replaced by Mr. Russell Allen, who is to take over the guidance duties in February.

During the school year several of our teachers took advantage of available extension courses. Mrs. Dickinson and Mrs. Little completed courses at Keene Teachers Summer Session. Mr. Pratt, who attended U. N. H. during the summer, is now studying at Dartmouth on Saturdays.

Steps have been taken to improve the shop area. New work benches have been installed, and a new electricity unit has been ordered. Little by little we are planning to broaden the shop offerings in order to allow the non-college student to explore more fields.

The band performed successfully several times during the summer and fall in conjunction with the Winchester Fire Department. The following members of the music department have been selected, through auditions, for the All-State Festival:

Band	Chorus
Donna Baker — Sousaphone	Ethel Hutchinson
Maureen Loll — French horn	Nancy Kelly
	Robert Byrne

The new activity program has been well received. Activities for those interested in art, dramatics, auto driving, homemaking, business and special reading classes meet twice weekly. Those interested in band and chorus meet two and three times each week.

Through much effort on the part of the administration and staff, it has been possible to maintain our rating as a comprehensive high school for at least another year. It was recently pointed out by Mr. Paul Quimby from the State Department of Education that a few minor changes in the curriculum would have to be made in order to maintain this rating after the new proposed minimum standards are accepted. He thought that we would have little difficulty in meeting these requirements. However, he did stress the need for improvements in, and additions to, the physical plant of Thayer High School. The new proposed standards call for: (1) a library to meet certain specifications and to be located within the school; (2) a gymnasium in order to carry out an adequate program of physical education; (3) a more adequate science laboratory; (4) a more adequate home economics room; (5) a better equipped shop.

As a matter of record, a summary of the 1961 Commencement and a list of the graduates follow:

Essays	
Stephanie Banis	Arnice Mitchell
Adele Hadlock	Lucie Thompson
Allan McLeod	Gary Wood

Gary Wood was the recipient of the Josephine Mansfield Sprague Music Award.

The honor students were:

Lucie Thompson	Allan McLeod	Gary Wood
----------------	--------------	-----------

The Class Marshal was Dana Caldwell.

The Class Roll is as follows:

Richard Amarosa	Adele Hadlock	Arnice Mitchell
Stephanie Banis	Douglas Hamlin	Paul Napierkoski
Thomas Byrne	Carolyn Holm	Marie Palmer
Francis Dominick	William Jackson	Bradley Sanborn
Christine Dubriske	Richard LaBreck	Lucie Thompson
Richard Durkee	Judith Lawrence	Ann Tremblay
Claudia Gould	Sharon Lawrence	Norman Whittle
Betty Gregory	Theron Lawrence	Geraldine Willette
Chester Grenda	Allan McLeod	Gary Wood

The record of Cash on Hand as of December 31, 1961, for the various classes and organizations in Thayer High School is as follows:

Class of '61	\$1,312.62
Class of '63	324.08
Class of '64	362.93
Class of '65	325.45
Class of '66	175.05
Class of '67	20.15
Athletic Association	192.81
Music Department	502.56
Thayer Revue	250.16
General Fund	352.10
Student Council	61.12

# REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Winchester:

I have the honor to submit my first annual report.

**STAFF CHANGES: High School** — The following change in the school faculty was effected as schools opened in September. Miss Judith Ann Freese, graduate of Plymouth Teachers College, was elected upon the resignation of Miss Sylvia I. Louder, commercial teacher. Miss Betty Ann Vanderluis, guidance counselor, was granted her release as of January 2 in order to assume the position of guidance director of the Monadnock Regional School District. This vacancy was filled by the election of Mr. Russell D. Allan, former Chesterfield and Swanzey teacher, who is a graduate of Keene Teachers College.

**Center School** — At the end of last year, Mrs. Retta G. Stone terminated her many years in education by retiring. Mrs. Stone had taught in the Winchester School System continuously since 1946. I am certain that her many friends, former pupils, colleagues, the administration and school board members, both present and past, join me in wishing Mrs. Stone many happy years of well earned retirement. Mrs. Marjory E. Newell was elected to the position of teacher of grades 3 and 4. Mrs. Newell is a former Hudson, New Hampshire, teacher and a graduate of Plymouth Teachers College.

1972-73	43	47	43	51	51	60	295

Caution should be exercised in interpreting the figures in the above table for they do not take into account new pupils who move into Winchester or pupils who move out. They also ignore possible dropouts, particularly at the high school level. However, they are indicative of the serious overcrowding in the Winchester schools. Enrollment at Thayer High School is now 240, 10 more than last year, which was already beyond capacity. In grades 1-6, 12 classrooms are needed in addition to Ashuelot School. Center School has only seven rooms available. Two rooms are being used at the Community Center but it is not possible to carry on a satisfactory program because of the limited facilities.

New state high school minimum standards will create additional problems in the area of facilities for Thayer High School. Deficiencies which will need to be corrected in order to receive state approval include improvement of facilities for science, library, homemaking, fine arts, and physical education. Also, a school cafeteria is badly needed.

If Winchester is to continue to operate its own complete school system, it should undertake to build a new elementary school replacing the Center School, and to remodel its high school in order to satisfy the forthcoming state minimum standards. On the other hand, Winchester may convert Thayer High School for elementary use and seek to join a cooperative school district to house its secondary grades. The course to be followed is a decision which rests with the citizens of Winchester.

That the Winchester School Board have worked diligently in attempting to find solutions to their school problems is evidenced not only by past proposals brought before the voters but by their continuous program of maintaining and improving the present school facilities. This includes painting the Ashuelot School, new sink and refrigerator at the Ashuelot School; fire escapes, new outside doors on the side entrances, repair of the fence, new wash fountains in the girls' toilet room, new light fixtures, new classroom desks and chairs, all at the Center School. Also, for Thayer High School, new fire escape, conversion of the heating system, new washfountains in the toilet rooms, grading, and repair of the Shop ceiling. This does not include the regular repairs and maintenance handled by the custodians or the miscellaneous purchase of school equipment.

An article will be inserted in the school district warrant to allow the voters to vote on the painting of the complete interior of Thayer High School.

In conclusion, I wish to express my appreciation to the principals, teachers, pupils and parents, the School Board and the patrons of our schools for their cooperation.

Respectfully submitted,

ROGER L. SUNDSTROM
